ACRONYMS USED IN TRANSCRIPT

TCH	Total Credit Hours (current semester only)	CCH	Cumulative Credit Hours (current and previous semester)
TGP	Total Grade Points (current semester only)	CGP	Cumulative Grade Points (current and previous semester)
GPA	Grade Point Average (current semester only)	CGPA	Cumulative Grade Points Average (current and previous semesters)

Credit Hours: One credit hour usually represents one lecture hour per week in a regular semester. The credit hours assigned to a course reflect the academic load that a student is carrying in a semester.

Grade Point Average: Computed by summing the product of the grade points and credit hours for each course in the semester and then dividing the resultant figure by the total credit hours taken in that semester.

Cumulative Grade Point Average: Computed by summing the product of the grade points and credit hours for each course taken in the current and all previous semesters, and then dividing the resultant figure by the cumulative credit hours.

Credits Attempted: Computed by summing the credit hours of all courses registered and evaluated (including

failing grades and excluding courses which are not calculated in the CGPA and CCH).

Credits Earned at IIUM: Credit of courses registered, evaluated and passed (including credits transferred from within IIUM).

Credits Exempted: Credits earned based on exemptions from taking certain courses. These credits are counted towards fulfillment of credit hour requirements.

Credits Transferred from Outside IIUM: Credits earned based on transfer of courses from another institution. These credits are counted towards fulfillment of credit hour requirements.

Credits Fulfilled: Total credits earned at IIUM, exempted and transferred from outside IIUM.

ACADEMIC CALENDAR

One academic year consists of two regular semesters (Semester I and II), and optional short semester (Semester III). A regular semester runs for approximately 17 weeks, while a short semester is about 9 weeks in duration.
