To whom it may concern:

It is a great pleasure to recommend Sediqa Rezai daughter for this scholarship. She is one of the most exceptional students I have encountered in my 7 months of teaching at Baleparvaaz. I have taught Sediqa in A2, B1, and B2 levels of English at Baleparvaaz. I am not surprised to find out she is now ranked at the top of an extraordinarily capable class of seniors. She has a keen interest in and talent for languages especially English. Her advanced skills and passion for the subject make her an ideal fit for your rigorous scholarship program.

Sediqa is a perceptive, sharp, quick individual with a high aptitude for English and languages. She's been a strong leader in her English class, eager to share her knowledge with others and learn new skills. I have the students in the class prepare lessons and take turns leading our after-school meetings. When it was Sediqa's turn, she showed up prepared with a fascinating lecture on the importance of speaking skill and fun activities that got everyone moving and talking. She was our only student teacher to be met with much deserved applause at the end of her lesson.

Sediqa's personal strengths are as impressive as her intellectual accomplishments. She's an active, outgoing presence in class with a great sense of humor. Sediqa is the perfect person to get a group project rolling, but she also knows how to sit back and let others take the lead. Her cheerful nature and openness to feedback means she's always learning and growing as a learner, an impressive strength that will continue to serve her well in school, college, and beyond. Sediqa is just the kind of driven, engaging, and curious student that helped make our classroom a lively environment and safe place to take intellectual risks.

Sediqa has my highest recommendation for admission to your program. She has demonstrated excellence in all that she puts her mind to, whether it's designing a positive classroom, collaborating with others. Sediqa's endless curiosity, combined with her willingness to take risks, leads me to believe there will be no limit to her growth and achievements in school and beyond. Please don't hesitate if there would be any questions related!

Sincerely,

Mr. Abdul Hussain Nazari
