I. Gandhi Fellowship (Currently working here)- Job offer letter

Jul 26, 2022

Dear MANJUSHA A,

Congratulations and welcome to the Gandhi Fellowship Program, Batch of 2022-24!

The Gandhi Fellowship is the flagship program of the Piramal Foundation (hereinafter referred to as the "Foundation"). This Program is among the most aspirational Fellowship programs in the country, owing to our dynamic educational curriculum. Young people like you from across the country embark on lifelong journeys of personal transformation as they lead our interventions in the communities we serve. These experiences lead to deeper self-awareness, the discovery of personal values and stronger leadership skills and life skills.

The Foundation is focused on improving the lives of the marginalized communities by strengthening Govt systems and leveraging the power of youth with a spirit of service or Sewa Bhaava. We currently work across 24 states in partnership with the Central and State Governments. Over the years, we have developed innovative solutions and a deep understanding of our communities and strong technical partnerships. These are pivotal in helping us continue to serve our communities in partnership with government institutions across India.

The global Covid-19 pandemic deeply impacts the country. While we continue to be committed to the wellbeing of the communities we serve, it is equally important for us to ensure the safety and wellbeing of our team members.

Usually, the entire duration of the Fellowship is designed to be spent in the location where you are placed. Given the current exigent circumstances, your fellowship journey may be a combination of working from Home and working from our program locations. This is a critical choice we make to ensure your safety and wellbeing over the course of this journey, with minimal impact on your transformational journey. Our leaders will share these decisions with you periodically and will be made considering the multiple factors that impact your safety, wellbeing, and learning journeys.

Other nuances of the duration of this Fellowship are detailed in the attached Annexures for your reference. Annexure A sets out the terms & conditions of the Fellowship, and Annexure B states the State you are assigned. We urge you to please read through them and if you have any clarifications / doubts, please reach out to your account managers.

To confirm your participation as a Gandhi Fellow in the Gandhi Fellowship Program, Batch of 2022-24, please sign a copy of this letter along with each page of the Annexures and share it with us within 5 days of receiving this offer letter. After that, our offer for you to join the Fellowship will stand withdrawn.

I extend our warm welcome to you and wish you great success as you embark on this journey of self-discovery and self-development as you transform the nation's in improving the lives of marginalized communities by strengthening Govt. systems and continue further on your journey as a Nation Builder.

I look forward to seeing you at the Orientation!

This offer is subject to your reporting to the final location as communicated to you in your location allocation, and being certified medically fit along with the medical test reports at the location you report to.

Yours sincerely,

Debanjan Roy

Director - Gandhi Fellowship Program
