To Whom It May Concern

Oneeb Dadgar is a bonafide student of our department. I have taught him Computer Science in B.A.C.A 1st year and he proved to be a model student. He is extremely conscientious about his work and about attending classes and lab. Because of his hard work, he consistently secured 1st position during the first two years of graduation. His understanding of Computer Science related topics is very good. His command over English is also good. He has very good qualities and capabilities of understanding and adjusting to new socio-cultural settings. Oneeb Dadgar is very meticulous and intelligent student. Given a chance and appropriate grooming Oneeb Daadgar can prove an asset to any university. I, therefore strongly recommend him for the program in your university.
