SUMMARY

A recent Economics graduate with a solid academic foundation and a deep passion for advancing innovative research and impactful policy development. Committed to addressing contemporary challenges in economic development and sustainability through strong analytical skills and a research-oriented mindset. Aspiring to contribute meaningfully to the field by leveraging expertise in data-driven analysis and a dedication to creating actionable insights for sustainable growth.

WORK EXPERIENCE

Research Intern, National & International Seminars (NIS) Division Jan 2025 - Present
Indian Council of Social Science Research (ICSSR), New Delhi

- My role involves meticulously compiling comprehensive reports, ensuring accurate and detailed documentation of events, and providing proactive support for research-related administrative tasks. These responsibilities contribute directly to the council's academic endeavors and policy-driven initiatives, fostering a collaborative environment that promotes impactful research and knowledge dissemination.

Paper Presentation, IMECONF - Cambridge, U.K Dec 2024

- Presented the research paper titled **"Blockchain-Integrated Digital Payment Systems in the Public Sector: Innovation, Transparency, and Economic Efficiency in Emerging Markets"** at the **9th International Conference on Research in Economics and Management** organized by the **University of Cambridge on December 14, 2024**.

Dissertation, M.A. Economics June 2024

- Authored a dissertation titled **"Navigating the Digital Wave: Assessing the Impact of Digitalization on Indian Foreign Trade"** as part of the Master's in Economics program at **Banaras Hindu University (BHU)**, showcasing in-depth research and analytical skills in evaluating the effects of digitalization on trade dynamics.

Visiting Student, Indira Gandhi Institute of Development and Research June 2023 - July 2023

- An insightful summer research internship, that includes delving into the working and an in-depth analysis of the labor market of India and analyzing its Beveridge curve and presented the findings in the paper titled **"An Analysis of Beveridge Curve : A Case Study of India"**.
-
