Scholarship selection Committee:

Greetings and regards during the years of teaching, I had the pleasure of teaching Saeda Madady in high school. Saeda Madady was one of the distinguished and active students in my class. A hardworking, talented and motivated student for group work. His participation in scientific programs including language skills and computers was successful. Creativity, talent and perseverance allow me to support him with complete confidence. I have no doubt that in the near future I will witness their prosperity and success under the shadow of their perseverance and hard work.

Respectfully ( Shafiqa Rezai )
