

A portrait of a man with dark hair and a beard, wearing a red shirt with a blue collar. A circular stamp is overlaid on the image, containing the text 'GATE 2006 SUBHENDU MAL' in a circular arrangement. The background of the stamp is white with a repeating pattern of the number '23' in a light blue color.

**Organizing Chairman, GATE 2023**  
on behalf of NCB-GATE, for MoE

1a76cbc6e16ca4ecd7daf4de2cab5550

The GATE 2023 score is calculated using the formula

where,

M is the marks obtained by the candidate in the paper, mentioned on this GATE 2023 scorecard

$M_0$  is the qualifying marks for general category candidate in the paper

$M_i$  is the mean of marks of top 0.1% or top 10 (whichever is larger) of the candidates who appeared in the paper (in case of multi-session papers including all sessions)

$S_q = 350$ , is the score assigned to  $M_q$

$S_f = 900$ , is the score assigned to  $M_i$

In the GATE 2023 score formula,  $M_q$  is 25 marks (out of 100) or  $\mu + \sigma$ , whichever is greater. Here  $\mu$  is the mean and  $\sigma$  is the standard deviation of marks of all the candidates who appeared in the paper.

Qualifying in GATE 2023 does not guarantee either an admission to a post-graduate program or a scholarship/assistantship. Admitting institutes may conduct further tests and interviews for final selection.

Graduate Aptitude Test in Engineering (GATE) 2023 was organized by Indian Institute of Technology Kanpur on behalf of the National Coordination Board (NCB) – GATE for the Department of Higher Education, Ministry of Education (MoE), Government of India.
