## SKILLS

### Curriculum Development -

Led and managed a variety of programs and special projects including curriculum development and after-school programs. Served as member of various committees including Curriculum Development, Textbook Selection and Professional Development.

### Communication Skill -

I become students' friend first teacher later. I understand their weak points in the subject & use examples, games & anything that provide them better understanding of the subject.

I (along with my one friend) have also created a youtube channel named **Education Pill** (<https://youtube.com/@educationpill>) creating impact in the lives of the students who are far away from me & we have hit **4.2 k subscribers** and we teach for UGC NET & CUET PG & getting many positive responses & reviews from the students.

**Speaking Skills** - I have been participating in various debates & group discussions since my childhood. Speaking effectively is my hobby & I want to create a difference in the society for good with my words.

**Writing Skills** - I write poems & articles. I participated in many poetry recitation competitions & essay writing competition in my school time.

**Creative Skills** - I can make power point presentation, i can also do

- Maintain accurate and complete student records, and prepare reports on children and activities, as required by laws, district policies, and administrative regulations.
- Prepare, administer, and grade tests and assignments to evaluate students' progress.
- Meet with other professionals to discuss individual students' needs and progress.
- Confer with parents or guardians, other teachers, counselors, and administrators to resolve students' behavioral and academic problems.
- Instruct through lectures, discussions, and demonstrations in one or more subjects, such as history and geography.

video editing, YouTube content creation (as I do for my YouTube channel), thumbnail for YouTube and content creation for teaching.
