Baghpat, Uttar Pradesh, 250101

I hold a master's degree in sociology and thrive on the pursuit of knowledge across diverse domains. My passion lies in exploring the intersections of strategy, entrepreneurship, public policy, political sociology, social movements, governance, technology, and culture. My goal is to leverage this diverse knowledge to produce high-quality work that bridges the gaps between these fields. My commitment to holistic understanding and innovative thinking sets me apart as a versatile and forward-thinking professional.
