TO WHOME IT MAY CONCERN

It is my pleasure to recommend **Balal Aalam S/o Muhammad Aalam** for Phd in your University. I have known Muhammad Balal for over 3 years, during which time he worked as a student. I have been consistently impressed with Balal attitude and productivity during the time that he has worked with us.

Balal is both very bright and quite motivated. I am confident that he will devote himself to a position with your organization with a high degree of diligence. He is a quick learner and has shown the ability to digest large volumes of knowledge. Balal has demonstrated the ability to perform research independently.

I recommend Balal without reservation. I am confident that he will establish productive relationships with your staff and constituents. Please let me know if you need additional information about this outstanding youngman.

Sincerely,
