ENGLISH LANGUAGE PROFICIENCY CERTIFICATE

It is certified that Mr. Balal Aalam, Registration No. 2018-M.PHIL-APP-MATH-113 has completed his M.Phil in Applied Mathematics from the University of Engineering and Technology, Lahore, Pakistan.

It is certified that English is the medium of instruction and examination at this university. While studying at this university, he was examined and found to have adequate knowledge of both written and spoken English. In my opinion, he should have no language difficulty in pursuing higher education at an institution where English is the medium of instruction.

This certificate is being issued on his own request.
