Summary

I am Daves, and I completed my B. Tech in Biotechnology and M. Tech in Biotechnology from UIET MD UNIVERISHTY ROHTAK, HARYANA. I did my 12th from HBSE HARYANA. I want to pursue my career in BIOTECHNOLOGY and RESEARCH. I am well-trained in lab techniques and want to learn more about research in the domain of biotechnology and life science.

I read your profile and gone through your expertise area in which I have a profound interest and I will be glad to work with you.

Education

Qualification	Board/University	Year of passing	Percentage
10 th	HBSE	2013	71.43
12 th	HBSE	2015	68.29
B. Tech Biotechnology	UIET, MDU	2019	63.88
M.Tech Biotechnology	UIET, MDU	2024	73.33

EXPERIENCE

Guru Tegh Bahadur 4th Centenary Engineering College, Delhi

- Working as an assistant professor faculty of environment studies.
- Aug 2024- Present

Hobbies & Interests

Multitasking abilities, innovative thinking, and a strong interest in biological science.

Entrepreneurship, Business analytics and asset management.

Extra Curricular Activities

- Member of a social group named ‘PARIVARTAN KI RAAH’.

Professional Skills

Research, Project Management, Analytical skills, Event Planning, and Project control.

Other skills

Ms office, word, excel, PowerPoint.

Languages Known

- Hindi
- English
- German

Technical Expertise

- Bioanalytical Techniques
- Chromatography Techniques
- Gel Electrophoresis
- Spectroscopy
- Microscopy
- Immunology and immune technology
- Microbiology
- Culturing of cells (plant and animal)
- Bioprocess and process technology
- Biochemical engineering.
- Bioinformatics and computer-aided drug design
- Nanotechnology and Biosensors.

Training

- Industrial training in Vita Co. Milk Pvt Ltd. Ballabgarh Faridabad.
- Industrial training cum Dissertation in Cadila pharmaceutical pvt ltd. Samba, Jammu.
- Research Dissertation on saccharification of lignocellulosic agriculture waste biomass for bioethanol production.

Industry & Pilot Plants Visited

- Coca cola industrial production unit (Rohtak).
- VITA industrial plant (Rohtak).
- Vermicompost Plant, Bainsi (Rohtak)
- Amul plant (Rohtak)

Declaration

I hereby declare that the details furnished above are true and correct to the best of my knowledge.
