RESEARCH INTERESTS

A STUDY ON THE BILATERAL TRADE RELATION OF INDIA WITH CHINA AND USA SINCE 1991

My research interests for my Master's degree focus on the dynamics of bilateral trade relationships, with a particular emphasis on India's trade relations with China and the USA since 1991. I am passionate about studying the economic, political, and cultural factors that have influenced these trade partnerships over the years. Through in-depth analysis and empirical research, I aim to gain insights into the evolving global trade landscape, which can contribute to informed policy recommendations and strategic decision-making."
