Permanent Address: 285-b, Taruchaya Nagar, Tonk Road, Jaipur. 302027

As a Master's student specializing in Criminal Law and Criminal Justice Administration, my passion lies in understanding how laws apply to human psychology pertaining to sexual offences and unravelling the complexities of legal investigations. Through rigorous study, I have acquired a robust understanding of criminal laws, psychometric tests and forensic investigation techniques. I am particularly interested in how criminal law intersects with other fields of legal investigation and trial, and I am eager to explore niche and emerging areas within the legal landscape.
