## Release of Information

In accordance with the Family Educational Rights and Privacy Act of 1974, as amended, this information is released on the condition that no other party will be permitted access to this information without the written consent of the student.

The message "SENT TO STUDENT" will be printed on the transcript when the transcript is provided directly to the student.

## Academic Calendar

The University operates on a semester calendar, consisting of a standard fall and spring semester, and with summer and winter intersessions of varying lengths.

## Transcript Validation

New York University began the implementation of a new academic record system in 1990. The record of a student enrolled both before and after implementation may be composed of two separately formatted transcripts. If the notation "SEPARATE RECORD OF PRIOR WORK ATTACHED" appears on the top of the computer-generated transcript, both transcript formats must be present for the record to be complete.

All transcripts issued from this office are official documents. A computer-generated transcript is printed on tamperproof paper, eliminating the need for signatures, rededents, or stamps on the back of envelopes.

## Credit System

Creditpoints are equal to semester hours. One creditpoint is equal to one semester hour.

## Grading System

Note: Includes grades awarded by all schools/divisions of the university except the College of Dentistry, School of Law, and School of Medicine. A specific grade may not be valid in a particular school or division.

**TO TEST FOR AUTHENTICITY:** Translucent grade score must be visible from both sides when held toward a light source. The face of this document has a purple background, a purple facsimile signature of the University Registrar, and the name of the institution, which appears in white type. Apply liquid bleach to the sample background printed below. If authentic, the paper will turn color.

Note: Recomputer transcripts are black and white and will have a raised seal and signature of the University Registrar.

NEW YORK UNIVERSITY • NEW YORK UNIVERSITY • NEW YORK UNIVERSITY • NEW YORK UNIVERSITY • NEW YORK UNIVERSITY • NEW YORK UNIVERSITY • NEW YORK UNIVERSITY • NEW YORK UNIVERSITY

**ADDITIONAL TEST:** The institutional name and the word VOID appear on alternate rows as a latent image. When this paper is touched by fresh liquid bleach, an authentic document will stain brown. A black and white or color copy of this document is not an original and should not be accepted as an official institutional document. This document cannot be released to a third party without the written consent of the student. This is in accordance with the Family Educational Rights and Privacy Act of 1974. If you have any questions about this document, please contact our office. ALTERATION OF THIS DOCUMENT MAY BE A CRIMINAL OFFENSE.

## New York University Abu Dhabi

NYU official transcripts for students enrolled at NYU Abu Dhabi do not show course grades received during their last year of study and instead indicate only those courses successfully completed. Courses successfully (C- or better) completed during a student's last year of study carry the "SC" notation. Neither term nor cumulative GPA is recorded on the official transcript for NYU Abu Dhabi students before graduation. Upon degree conferral, a final cumulative GPA will be recorded. For May 2014 graduates only, final GPAs are calculated both with and without last year grades and the higher GPA is recognized as the cumulative GPA and recorded on the official transcript.

Dear Usama,

Congratulations on your admission to the inaugural Class of 2014 at NYU Abu Dhabi. We are very excited about the prospect of your studying with us and stand firmly behind our promise that you or your family will not need to take on debt to support the cost of your NYU Abu Dhabi education.

**NYU Abu Dhabi: Educational Expenses and Your Financial Support**

The price of tuition, mandatory fees, room and board is estimated to be \$54,454 for the 2010-2011 academic year. Other educational expenses that NYU Abu Dhabi will cover include:

- health insurance
- personal expenses
- books
- airfare

(Estimated amounts of these educational expenses can be found at <http://nyuad.nyu.edu/admissions/costs.html>)

The privilege and expenses of participating in regional trips and two semesters of study away within NYU's Global Network University during your four years are covered by your tuition.

Based on the family financial information you submitted, you or your family will not be expected to make any monetary contribution toward your 2010-2011 educational expenses.

Please be aware of the following:

1. This offer has been extended to you based upon the family financial information you submitted on your financial support application. You may be asked to submit tax forms and/or financial statements to verify the information submitted. You must provide all documentation requested by the Office of Financial Support in a timely manner. All documentation must be presented in English or be accompanied by an official English translation.
2. The budget for tuition, fees, room and board is an estimate. When the actual charges are established later in the spring of 2010 by the Board of Trustees, the dollar amount of your award may be adjusted accordingly. Please be assured that your family's financial contribution toward your education will not change.
3. If you expect to receive financial support from a source outside your family, please immediately notify the Office of Financial Support of that assistance. Such support may be in the form of government grants, scholarships from community organizations, or other sources. Any such financial support from an external source will be considered in determining the amount of financial support you ultimately receive from NYU Abu Dhabi.
4. You can expect to receive the level of financial support outlined in this letter for all four years of your education provided that: you file the required financial support form each year by the published deadline; there is no substantive change in your family's financial circumstances; you maintain full-time enrollment status for all academic terms; you maintain good academic standing; and you are making satisfactory progress toward your degree. Satisfactory academic progress is reviewed at the end of each academic year.

Should you believe that this award has not given full consideration to your family's financial situation, please contact me by June 15, 2010 at [Jan.Deike@nyu.edu](mailto:Jan.Deike@nyu.edu) or 212-992-7900 to discuss the matter further. Please also feel free to contact me if you have other questions about NYU Abu Dhabi financial support in general or visit the financial support website at <http://nyuad.nyu.edu/admissions/financial.support.html> as many of your questions may be addressed there.

Usama: Consider yourself accepted -- I can't write the letter until next week. Congratulations and welcome to NYUAD! I will send all the necessary paperwork on Tuesday or Wednesday. Let me know that you will accept so that I can take next steps. Take care, Linda

Subject: Re: Regarding my final admission outcome - Usama Sami

May 28, 2010

Dear Linda G Mills,

This email is sent to act as a reminder that I am wait-listed from NYU Abu Dhabi since March 27, 2010.

You had a pretty detailed telephonic conversation with me on last thursday, May 20, regarding my application.

I was told by you that I will be informed about the outcome of my application to the NYU AD during this week, prior to the June 1st.

Since, today is the last working day of this week, I thought it appropriate to drop-by an email as a reminder.

Let this also be an opportunity for me to state that, despite the fact that I am running close to the deadline of replying to my other college option - UPenn, I am still keeping my hopes alive for NYU AD and it will always be my first college priority choice without any doubt!

Looking forward to hear from you regarding my finalized admission status very soon.
