become informed decision-makers

Kathmandu, Bāgmatī, Nepal

Summary

I am a passionate Education consultant and Career Coach by profession and an entrepreneur from heart. My eleven-year career across education consulting, career coaching, test preparations, scholarship guidance, and entrepreneurship is firmly grounded in my belief that education is a right, not a privilege.

I'm an internationally certified career coach awarded by Career Development Alliance, USA, and NCDA certified career service provider. I have mentored and trained more than twenty thousand students across domains and regions.

I am the founder of Lincoln Academy, the co-founder of Kathmandu Maxway International Education, and founder of an education technology platform (<http://meroscholarship.com/>).

I have delivered over five hundred programs at prestigious institutions across Nepal. My key domains are Career Guidance and seminars on upcoming technologies, parenting, and detailed analysis of board and entrance examinations.

Having been associated with some of the leading universities like BITS Pilani, Thapar Institute, Andhra University, Amrita University, and prestigious international universities, I have transformed the lives of thousands in my career journey.
