SUMMARY

I, a JRF-awardee with vast, almost encyclopedic, multidisciplinary knowledge in the fields of political science, international relations, philosophy and history, am looking to pursue my PhD at SAU. I have a broad sweep of mind, excellent research skills and have been independently researching on a wide range of topics which, in my view, have significant bearing on the development trajectory of India.

EDUCATION AND TRAINING

| | |
|------|---|
| 2019 | Master of Arts: Philosophy University of Sheffield - Sheffield United Kingdom Scholarship Recipient |
