To Whom It May Concern

Oneeb Dadgar is a bonafide student of our department. I taught him Economics in B.A.C.A 3rd year and he proved to be a model student. He is extremely conscientious about his work and about attending classes. He consistently secured 1st position during the academic session and his understanding of Economics related topics found to be very good. His proficiency in English is also appreciable. He has very good qualities and capabilities of understanding and adjusting to new socio-cultural avenues. I found him that he is a very meticulous and intelligent student. Given a chance and appropriate grooming, he can prove an asset to any Institute. I wish him all the Best for future endeavours.
