Grading System

The University follows the 10-point letter grading scale. For the purpose of evaluating students' academic performance, each grade has been assigned a certain numerical weightage from 0 to 9 as indicated below:

Grade	Numerical Weightage
A+	9
A	8
A-	7
B+	6
В	5
B-	4
C+	3
С	2
C-	1
F (Fail)	0

To pass each individual course, a student can score any grade upto 'C-' in that course; but in order to become eligible for the award of Master's degree, the student must score Final Grade Point Average (FGPA) of minimum 4 (B-).

Final Grade Point Average (FGPA) can be converted into the percentage as per the following formula:

Percentage = FGPA x 100/9
