Dr. Zahid Raza
Associate Professor

TO WHOM IT MAY CONCERN

I am pleased to recommend Mr.Onib Dadgar, a bonafide MCA student of the School of Computer and Systems Sciences, Jawaharlal Nehru University. I have known him for almost 3 years in my capacity as his teacher at the School of Computer and System Sciences, JNU during his stay here from 2016-19. I taught him in the first and third year of the program and he proved to be a very sincere and hardworking student. He is a conscientious student. Based on his grades, attendance and class participation, I would rate his academic performance as superior.

He has very good communication skills and motivational spirits as a team worker. I am convinced that if given a chance to participate, he would be a valuable asset to your program. I understand that he is one of the few Afghan students to get placed in TechMatrix, India, through the campus placement drive.

To conclude, I would like to restate my recommendation for Mr. Onib Dadgar.

Sincerely,

1.2.2021
