Ajit Kumar

Senior Manager – BI & Analytics (SG Analytics)
Address Bangalore, KA
Phone +91-9471578721
E-mail ajitsawarn@gmail.com

Professional Summary:

Dynamic BI and Analytics maven, harnessing digital transformation solutions to turbocharge organizational operations. Boasting 10+ years of industry expertise, I excel in transforming growth and efficiency goals into visionary enterprise-level system designs. My tech acumen spans **IT, Automobile, Ed-tech, Insurance, Private equity, Consumer products and Retail**. Acknowledged as a pioneering innovator, I thrive on implementing cutting-edge technologies to optimize existing systems and pave the way for revolutionary new solutions.

• Seasoned in working with senior stakeholders and understanding the business problem and converting it into a problem statement and proposing optimum solutions.

• Skilled in driving cross-functional teams to deliver high-quality projects on time and within budget.

• Strong analytical and problem-solving abilities, coupled with excellent communication and leadership skills.

• Proficient in drafting business intelligence roadmap, including data governance policies.

• Proven experience in implementing end-to-end BI projects.

• Good understanding of ETL and data processing work.

• Skilled in product demand forecasting and estimating in-transit inventory levels.

• Expert in exploratory data analysis and generating relevant insights.

• Experienced in leading BI & Analytics teams.
