ABOUT ME

A highly driven and organized individual with strong ethical and critical thinking skills is looking for fieldwork or office work too. I hope to obtain hands-on experience from seasoned professionals while bringing my creativity and talents to the company's success. I am a pass-out student of a Master's in statistics completed from Banasthali Vidyapeeth. Also, I have completed my Bachelor's degree in mathematics with honors from Babu Banarasi Das University, with good marks.

PROJECT USING LATEX

Generalised Class Of Estimator for Estimating Mean Under Stratified Random Sampling.

Banasthali Vidyapeeth

📅 March 2023 to April 2023

I have completed the project with my partner, and our topic is: A generalized class of estimators for estimating mean under stratified random sampling; In this project, we generalize a class of estimators for estimating mean under stratified random sampling, and after that, we found that my generalized class of estimators is better than other estimators.

MY LIFE PHILOSOPHY

"The Light in the Heart."

ACHIEVEMENT

🏆 **Silver medal in javelin throwing**
When I was in my graduating, I took part in a Javelin game, and within a few days of practice, I got a silver medal along with the certificate

❤ **Python certification**
I completed an online course in Python and got the certificate from the Great Learning platform

❤ **Basic Excel learning certificate**
I completed an online course in Excel where I learned the basic concepts of Excel and got the certificate from the Great Learning Platform

❤ **Basic C programming certificate**
I completed an online course in C programming where I learned the basic concepts of C language and got the certificate from the Great Learning Platform

❤ **Certificate of participation**
Participated in the National workshop on Mathematics in Artificial Intelligence and Data Science organized by the Centre for Artificial Intelligence and Department of Mathematics and Statistics, Banasthali Vidyapeeth, Rajasthan, India held during March 23 – 27, 2023.

STRENGTHS

Hard-working   Soft-nature   Creative Person
Work ethic   Have the ability to learn from others
Curiosity and willingness to try new things
Curious and open to trying new approaches
Enjoy working in teams.

C   LaTex   R   Oracle Database
SAS   Excel

EDUCATION

M.Sc. in Mathematical Science Statistics (7.11 CGPA (71.1 %))
Banasthali Vidyapeeth
📅 Aug 2021 – June 2023

B.E.d (80.58 %)
Dr.Rammanohar Lohia Avadh University
📅 2021-2023

B.Sc. in Mathematics Honours(CGPA 8.55 first div with hons)
Babu Banarasi Das University, Lucknow
📅 Aug 2019 – may 2021

12th in Science+ Math(67 %)
DBS Inter College Hanumanganj Sarurpur Faizabad
📅 June 2017 – July 2018

10th in Science (88 %)
DBS Inter college Hanumanganj Sarurpur Faizabad
📅 June 2015 –May 2016
